The complete works of George Orwell, searchable format. Also contains a biography and quotes by George Orwell. Eric Arthur Blair (25 June 1903 – 21 January 1950), better known by his pen name George Orwell, was an English novelist, essayist, journalist and critic, whose work is marked by lucid prose, awareness of social injustice, opposition to totalitarianism, and outspoken support of democratic socialism. "1984" is a 1974 single by David Bowie, from his album Diamond Dogs. Written in 1973, it was inspired by George Orwell's Nineteen Eighty-Four and, like much of its parent album, originally intended for a stage musical based on the novel, which was never produced because permission was refused by Orwell's widow Sonia. problem solving skills in business business plan framework harvard how to write a plot analysis essay apa format history research paper persuasive argument essay topics examples writing a memoir and self help book together proposal for formative research hrm assignment for hnc business definition essays for respect senior capstone projects on ...
