Buy Doc Johnson Classic - Dick Rambone - 17 Inch Dildo with Suction Cup - 7.38 in. Girth and 13.4 in. Insertable Length - O-Ring Harness Compatible - White on Amazon.com FREE SHIPPING on qualified orders This veiny, lifelike penis enlarger offers instant results while remaining securely in place. It provides an instant boost to both girth and length, with a realistic textured outer sleeve that looks just like the real thing. While results vary slightly across reputable studies, the consensus is that the mean human penis, when erect, is in the range 12.9–15 cm (5.1–5.9 in) in length. It may take a few tries and experiments until you find your best fit, but following those recommendations is a good starting point. To further explore the condom width to penis girth relation I'll refer back to a study I mentioned earlier.
