

# **Download Advantages And Disadvantages Of Predatory Pricing**

Advantages of Disintermediation. The main overall advantage of disintermediation is that it keeps price increases and predatory pricing under control in the economy. A business can use a variety of pricing strategies when selling a product or service. The price can be set to maximize profitability for each unit sold or from the market overall. You are welcome to ask any questions on Economics. I try and answer on this blog. Ask a question Send us your e-mail address to receive monthly course discounts \*. Thank you! Copyright 2019
