The film depicts five sisters from an English family of landed gentry as they deal with issues of marriage, morality and misconceptions. Some months later, Elizabeth and the Gardiners visit Darcy's estate in Derbyshire, Pemberley (after Elizabeth ascertains that the owner will not be there). (1813) Jane Austen began her second novel, *Pride and Prejudice*, before she was twenty-one. It was originally titled *First Impression* because the appearances of the characters created the plot of the novel.
