Anne of Green Gables is a wonderful classic story and it gets 5 stars. This particular printing, however, is completely unacceptable. It's as if someone typed it into a document, and printed it off--no page numbers, not titled at the top of each page, the lines don't even break properly (see photo). Anne of Green Gables is a 1908 novel by Canadian author Lucy Maud Montgomery (published as L. M. Montgomery). Written for all ages, it has been considered a classic children's novel since the mid-twentieth century. Anne of Green Gables is a 1985 Canadian television miniseries drama film based on the novel of the same name by Canadian author Lucy Maud Montgomery, and is the first in a series of four films.
