

# Download C XmlDocument

Background. Although your question does have the encoding set as UTF-16, you don't have the string properly escaped so I wasn't sure if you did, in fact, accurately transpose the string into your question. XmlDocument is great for developers who are familiar with the XML DOM object model. It's been around for a while, and more or less corresponds to a W3C standard. The Complete C# Tutorial. Welcome to this C# Tutorial, currently consisting of 87 articles covering all the most important C# concepts. This tutorial is primarily for new users of this great technology, and we recommend you to go through all the chapters, to get the most out of it as possible. Introduction. Welcome to this C# tutorial. With the introduction of the .NET framework, Microsoft included a new language called C# (pronounced C Sharp).
