Family Stress Management (3rd edition) Sage, 2017. The Third Edition of Family Stress Management by Pauline Boss, Chalandra M. Bryant, and Jay A. Mancini continues its original commitment to recognize both the external and internal contexts in which distressed families find themselves. Frequent sightings of dark skinned people portrayed negatively in the media is heavily exploited, while light skinned and non-black individuals are portrayed more positively. These kind of prejudgements negatively impact the African American community and prevents the culture from moving forward.
