by Stacy Conradt, Laurel Mills & John Green. Those Disney endings where the prince and the princess end up blissfully married? Yeah, they don't really happen in the original stories. Guillermo del Toro's last five films have been: 1. A dark fairy tale as a metaphor for the effects of war on children, set in the midst of the Spanish Civil War. Scary fairy tales to chill your bones. You may think you know all of these fairy tales already, but do you know the real creepy stories behind them? Hansel and Gretel. While many readers are well aware that some of Hans Christian Andersen's original stories are far more morbid than anything you'll see in a Disney movie, many are unfamiliar with the rest of his vast collection of original fairy tales, which sometimes delve into realms so strange as to make him
