

Download Designing Effective Instruction 7th Edition

Description. This is a valuable resource that provides instructional designers with the practical skills they need to meet the challenges of creating effective and efficient educational materials. This text is an unbound, binder-ready edition. This is a valuable resource that provides instructional designers with the practical skills they need to meet the challenges of creating effective and efficient educational materials. There have been significant updates to all the chapters to include recent trends and research. The updates are consistent with the text's approach to instructional design and reflect the trends in both practice and research. This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work.
