

Download Global Academy Scheme 3

Global Academy of Agriculture and Food Security - improving the effectiveness and sustainability of agri-food systems is vital to tackling the challenges of global population growth, rapid urbanisation, food and environmental security, and diet and health. The United Nations Global Compact is a voluntary initiative based on CEO commitments to implement universal sustainability principles and to undertake partnerships in support of UN goals. The National Teaching Fellowship (NTF) Scheme celebrates and recognises individuals who have made an outstanding impact on student outcomes and the teaching profession in higher education. The Academy of Medical Sciences is delighted to be working with the British Academy, the Royal Academy of Engineering and the Royal Society to offer Global Challenges Research Fund (GCRF) Networking Grants, available through the GCRF, which is part of the UK's Official Development Assistance (ODA).
