The Great Gypsy Round-up (Spanish: Gran Redada de Gitanos), also known as the general imprisonment of the gypsies (prisión general de gitanos), was a raid authorized and organized by the Spanish Monarchy that led to the arrest of all gypsies in the region, and their imprisonment in labor camps. La Mandragora“, ein klassisches Modell aus dem XIX. Jahrhundert: eine originale „Verdine“, wie sie das Nomadenvolk, -vorwiegend Zigeuner- in Südfrankreich und insbesondere in der Provence benutzten und wie sie teilweise noch heute in Verwendung sind. Gypsy Rose opened in March of 2006, with two tattoo artists and one piercer. We have since grown into a new and more central location with a well rounded staff of seven artists and two body piercers! The Gypsy Lore Society, an international association of persons interested in Gypsy and Traveler Studies, was founded in Great Britain in 1888.
