Being an only child has both advantages and disadvantages... This statement shows how complex this issue can be, yet it reflects only a certain percentage of the factors we may take into consideration. Online School vs. Traditional School Jessica O'Brien Strayer University English 215 Professor: Robin Parks 12/4/11 Online School vs. Traditional School It seems that technology is growing, improving, and changing at an exponential rate. China's one-child policy was part of a birth planning program designed to control the size of its population. Distinct from the family planning policies of most other countries (which focus on providing contraceptive options to help women have the number of children they want), it set a limit on the number of children parents could have, the ...X?— Last week I returned to Amherst. It's been years since I was there, the time we met. I was hoping that you'd show up again; I even looked for you, but you didn't appear.
