

Download Math Org City

Eureka Math is probably very different than your math classes in school or the way you learned math. It is not that one way is better than the other, the key is the expectations that are being put on our students today. Contest Information. The Rocket City Math League is a year-long, student-run, international, four-round math competition for middle and high school students. Our charitable mission is to help kids love numbers so they can handle the math in real life. Check out creatingbalanceconference.org for information about the next conference on math education and social justice. Join educators, parents, students, activists, and community members from around the country for a 3-day conference to explore the connections between math education and social justice.
