The Cornell Notes system (also Cornell note-taking system, Cornell method, or Cornell way) is a note-taking system devised in the 1940s by Walter Pauk, an education professor at Cornell University. Study your notes. Reread your notes in the right column. Spend most of your time studying the ideas in the left column and the summary at the bottom. Basic Musical Notation. Especially in the days before audio recording and playback, music was often written out as a means of preserving and communicating it. Note-taking (sometimes written as notetaking or note taking) is the practice of recording information captured from another source. By taking notes, the writer records the essence of the information, freeing their mind from having to recall everything. Notes are commonly drawn from a transient source, such as an oral discussion at a meeting, or ...
