Financial Obligation Agreement A Financial Obligation Agreement (FOA) in Campus Connection requires students who register for classes to acknowledge that they understand enrolling in classes results in a financial obligation. Campus Connection provides all Mayville State University students with Internet access to class registration, class schedules, grades, fee statements, and financial aid award statements. Welcome. Minot State is committed to meeting the needs of today's learner. An online degree program provides a flexible opportunity to fulfill your educational goals. As a result of modified operations at MSU, campus deliveries will be suspended January 30-31, 2019. We expect to resume normal operations on Friday, February 1.
