

Download Osmosis Egg Experiment Lab Report

Lab Report on Osmosis and Diffusion Biology 1, Period 3 March 15, 2010 Lab Team: Jason Perez, Kicia Long, Chris McLemore Purpose: The purpose of this lab is to observe the acts of passive transport: diffusion and osmosis in a model membrane system. Lab Report on Osmosis and Diffusion. Lab Report on Osmosis and Diffusion Biology 1, Period 3 March 15, 2010 Lab Team: Jason Perez, Kicia Long, Chris McLemore Purpose: The purpose of this lab is to observe the acts of passive transport: diffusion and osmosis in a model membrane system. Fun science experiment, using eggs to investigate Osmosis. Science Sparks, making science fun for kids. Define diffusion. In the first part of the exercise, a glucose-starch solution was placed in dialysis tubing. Then, the tubing was placed in a cup containing IKI indicator.
