Planet of the Blind tells his story - the years of a lo Born prematurely, Stephen Kuusisto has been fractionally sighted since a post-natal operation severely damaged his retinas. Yet he grew up pretending he could see.SUMMARY "The sensorium of the blind who possess some marginal vision is by turns magical and disturbing," writes poet and educator Stephen Kuusisto.No one should make the mistake of thinking poetry would make them famous or rich but back in 1998 when I published my first memoir "Planet of the Blind" to some acclaim I let myself believe that mainstream literature was finally ready to hear what the disabled had to say.Study Planet of the Blind discussion and chapter questions and find Planet of the Blind study guide questions and answers.
