

Download Problem Solution Worksheets

Problem OAB is a triangle whose vertices are given. Find the dimensions of the rectangle with maximum area inscribed in the triangle and with one of its sides on the side OA of the triangle. This collection of printable math worksheets is a great resource for practicing how to solve word problems, both in the classroom and at home. There are different sets of addition word problems, subtraction word problems, multiplication word problems and division word problems, as well as worksheets with a mix of operations. Students receive a special letter from "The Problem Detectives" asking if they would like to join "The Problem Detective Club." In order to join, students must first do some detective work by identifying the problem and solution to four case files. Students will be able to retell the problem and solution of a story with conjunctions using a graphic organizer.
