American English is a website for teachers and learners of English as a foreign language abroad. "Learning Teaching" has been one of the most successful guides to English since it was first published in 1994. Its no-nonsense approach has made it a superb teaching textbook for initial training courses, and also an essential handbook for practising ELT teachers. Welcome to TeachingEnglish. TeachingEnglish is brought to you by the British Council, the world's English teaching experts. If you want help planning your lessons or to find out more about our online training courses, you've come to the right place! Teaching English as a foreign language (TEFL) refers to teaching the English language to students with different first languages. TEFL can occur either within the state school system or more privately, at a language school or with a tutor.
