

# Download The Idiot

Etymologie und Begriffsgeschichte. Das Wort leitet sich vom griechischen ??????? (idiotes) her, das in etwa „Privatperson“ bedeutet. Es bezeichnete in der Polis Personen, die sich aus öffentlichen-politischen Angelegenheiten heraushielten und keine Ämter wahrnahmen, auch wenn ihnen das möglich war. Idiot was formerly a legal and psychiatric category of profound intellectual disability, in which a person's mental age is two years or less, and he or she cannot guard against common dangers. Idiot definition, an utterly foolish or senseless person: If you think you can wear that outfit to a job interview and get hired, you're an idiot! See more. Having a dinner party, wedding or shindig for a group of your closest friends? We'll work with you to make your event great and take a load off your plate (no pun intended...ok pun intended)
