Discount perfumes, aftershave, cheap make-up and cosmetics from Sterling Pharmacy, Premium health and beauty at pocket money prices online. While you might think that “perfume” is any kind of bottled liquid scent, the world of fragrances is actually much more complex. There are a variety of different kinds of perfume, some of which are much stronger than others. The Perfume Shop. Use our MSE Blagged code XMASMSE10 or print/show this voucher to get 10% off at The Perfume Shop online and in stores until Fri 21 Dec. The discount's valid on almost everything, but do see our full write-up for full details. Where do ebay sellers buy unpackaged perfume testers from? I've just bought a perfume for £25 which is £40 at Boots, and I'm assuming the seller made a margin on that too.
