

Download Year 9 Trigonometry

This carefully selected compilation of exam questions has fully-worked solutions designed for students to go through at home, saving valuable time in class. Two trigonometry codebreakers that both involve a terrible joke. The first one is with right-angled triangles, the second requires the sine rule, cosine rule and area of a triangle using trigonometry. Free trigonometry calculator - calculate trigonometric equations, prove identities and evaluate functions step-by-step. Year 9 maths Here is a list of all of the maths skills students learn in year 9! These skills are organised into categories, and you can move your mouse over any skill name to preview the skill.
