

Download Zakat On Gold

Zakat is Pillar of Islam to purify your wealth for Allah's (SWT) will. Zakat Calculator helps you calculate and find your payable Zakat amount of the year. Many people choose to pay their Zakat during Ramadan because of the increased reward. Give your Zakat donations with Muslim Aid this year, and give help to the poor and needy in their moment of need. Use our calculator to pay your 2019 zakat. Zakat is payable at 2.5% of the wealth one possesses above the nisab. Nisab, which is equal to 3 ounces of gold, is the minimum amount of wealth one must have before they are liable to pay zakat. Zakat is the 3rd pillar of Islam and is the determined share of wealth prescribed by Allah S.W.T. to be distributed to the 8 categories (asnaf) entitled to receive it.
